Our Working Process

We Are Popular Because Of Our Way Of Working

Companies that see salvation in a fast adoption of tools without structural adjustments, risk a loss of efficiency and frustration among employees and stakeholders. It is not enough to simply provide the necessary infrastructure and tools.

How Our Journey Started

Along with that we have gained more than 5000 active users in BULK SMS . We treat prominent social media with appropriate guidance and support.

We started as DreamLink Solution Registered in 2015.

2015

We completed this division in 2017 and decided to start our dream journey of Information Technology and Telemarketing Services.

2017

And in 2021,we registered as a Private Ltd.
TURAIN SOFTWARE PVT LTD (CIN)
U64100WB2021PTC245220 in
6/12 Poddarnagar, Kolkata.

2019

In 2019, we came up with RANG RASOI Restaurant business located at 3A Asoka House, Kolkata during the pandemic.

2021

Bio Max (Distributor) An Attendance Solutions, WhatsApp API, SMS Cannon, BillTrack (Billing Software) Provider.

2023

A new feather has been added to our cap - we are now a Kaspersky (Distributor) A Cyber Security Solutions.

Boost Sales and Customer Satisfaction with Top-Notch Best **Bulk SMS Marketing Services** in Kolkata

Our Bulk SMS Plans

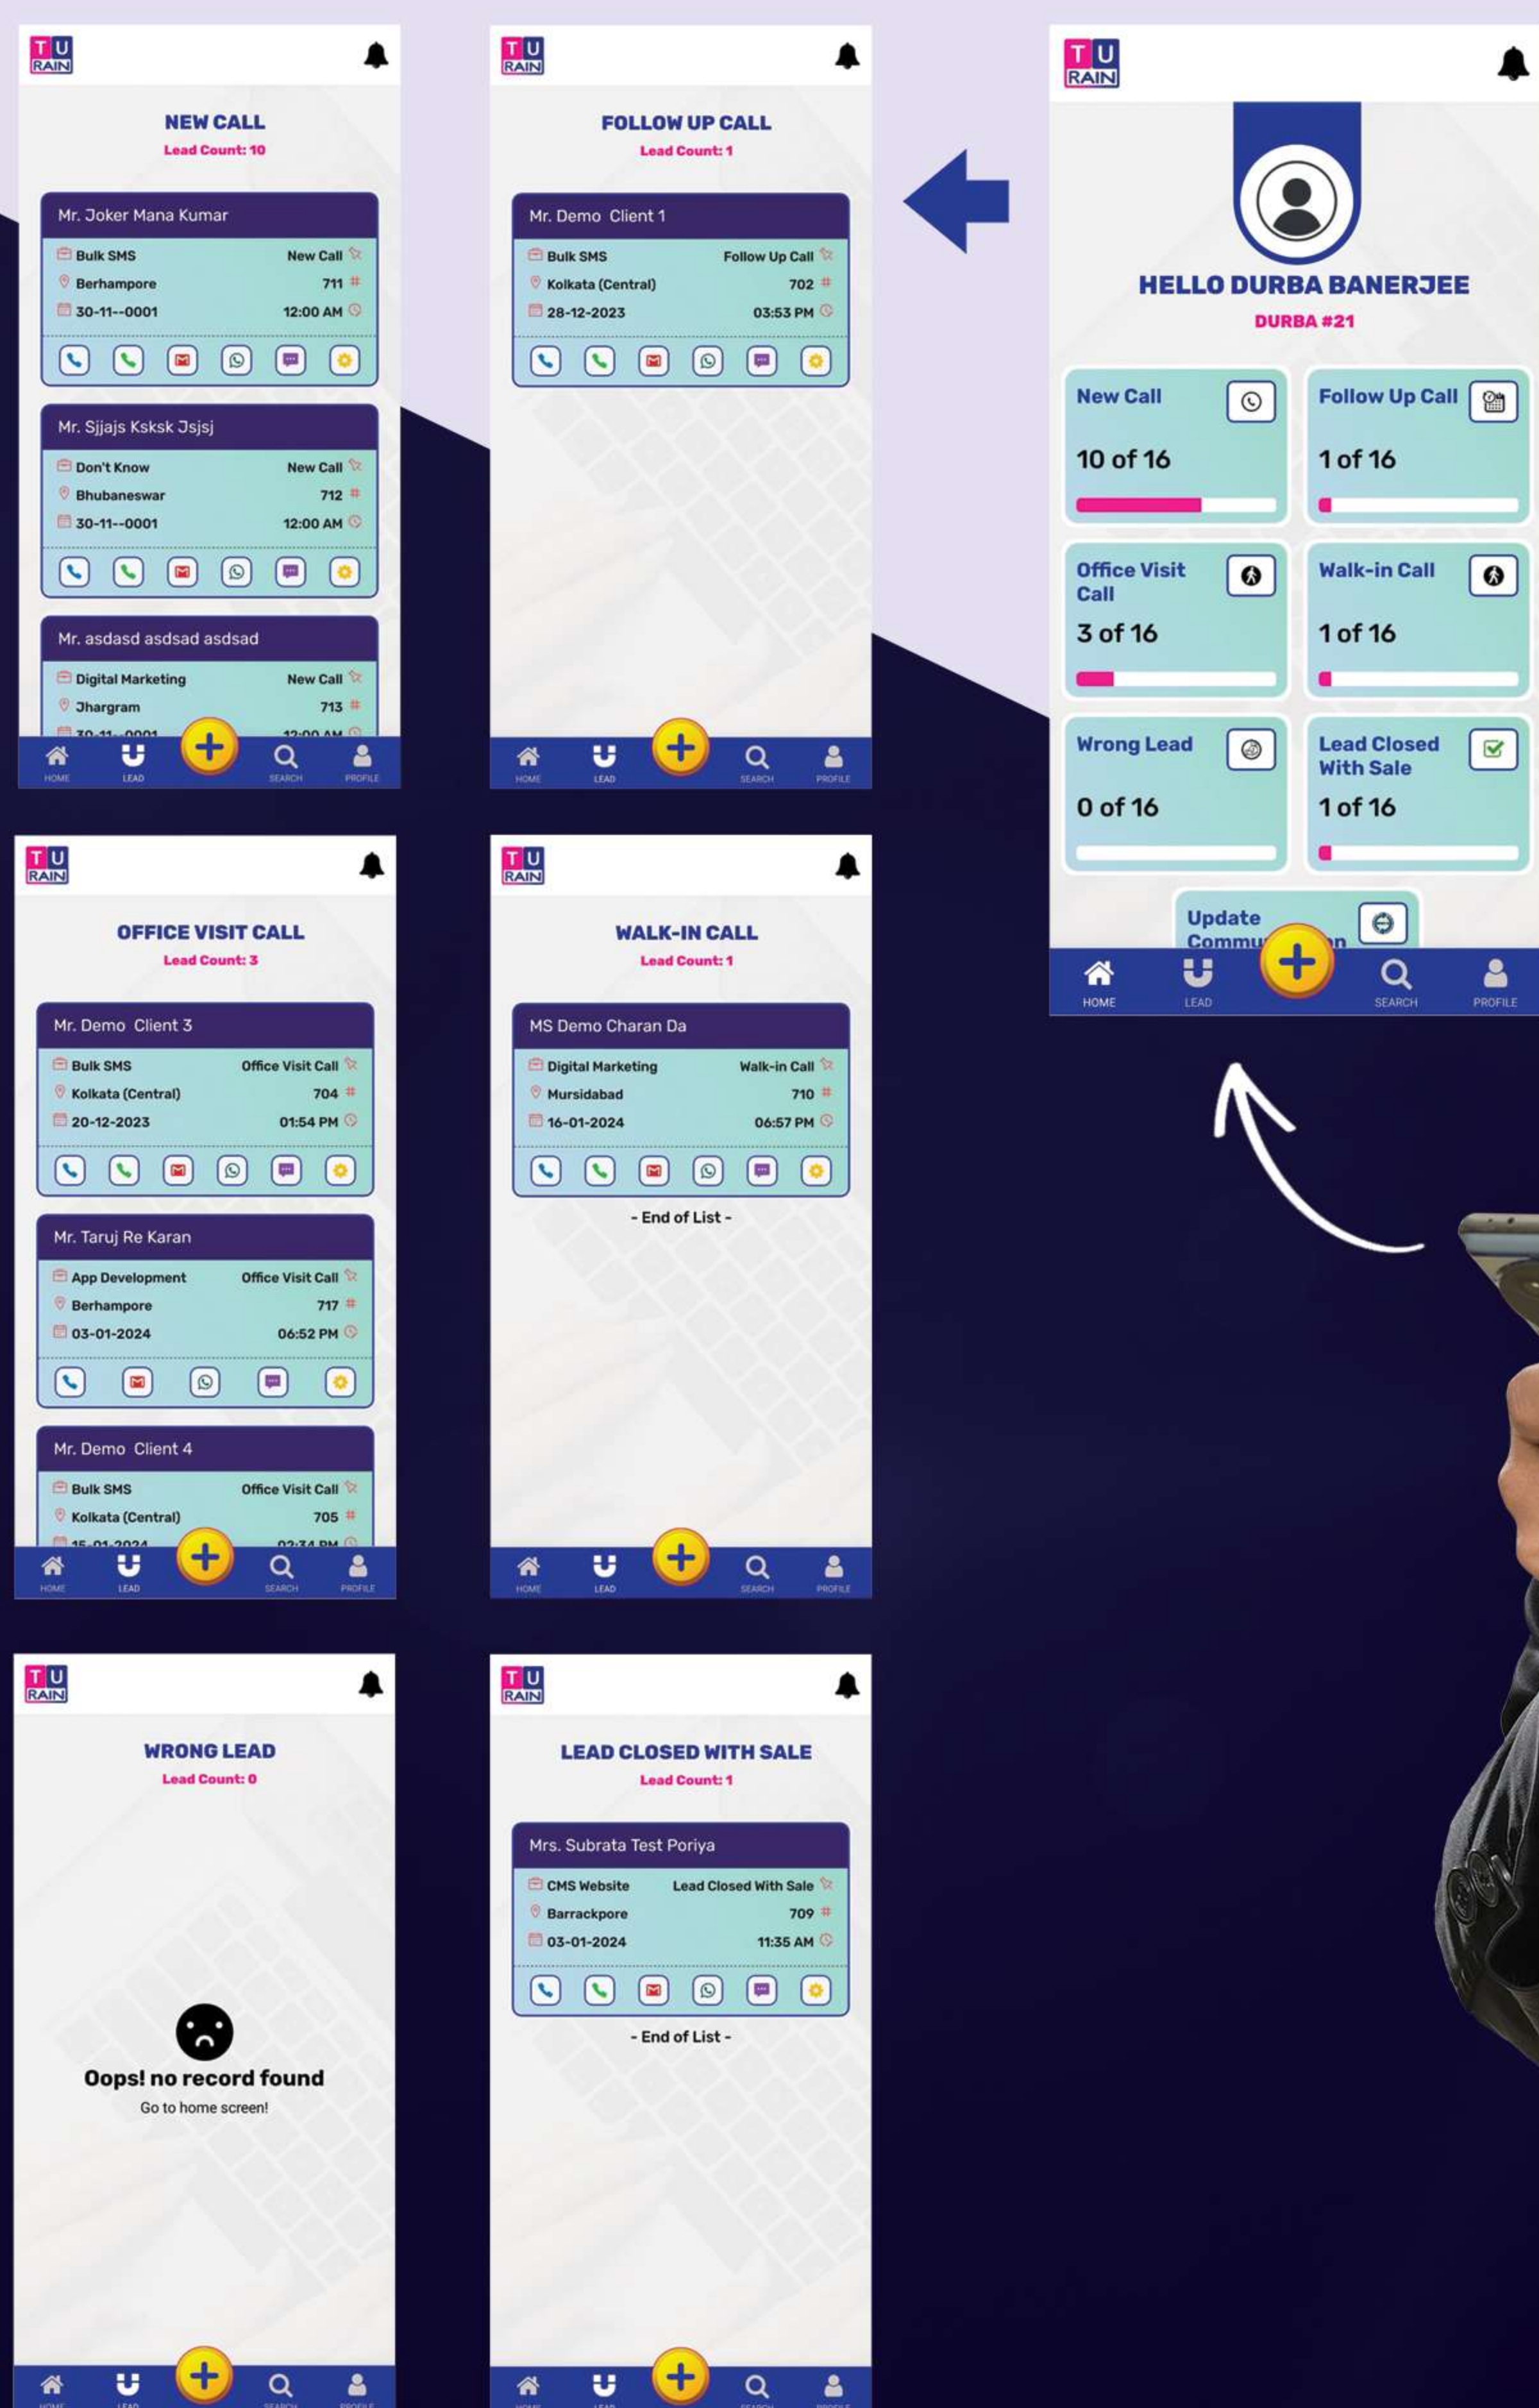

Generate More Sales for Your Business with **Bulk WhatsApp Marketing Agency** in Kolkata

Whatsapp marketing is all about generating or capturing leads from internet users searching for answers. Send your potential as well as new clients customized messages to ensure they go through them. Advertising on WhatsApp lets you send messages to users with pictures, videos, emojis, GIFs, and documents related to your products or services.

Lead Management Software

Lead management software helps organizations qualify incoming leads, analyze and nurture them so that they can be converted into new business opportunities. In a typical sales process, leads from multiple channels enter your lead management system, and the sales-ready leads are converted into deals.

Unlock your super selling power with **The Best Billing Software**

BillTrack

Capture, nurture and track all touchpoints of a lead before handovering it to the right person to take action within a centralized dashboard. Let's shorten your sales cycle today!
